6. Other Instructions

7. Application for and Disbursement of Loan

I (and in the case of a Co-Borrower, We) hereby apply for a loan (the "Loan") in the amount and upon the terms and conditions mentioned in the present application form and sections 1 to 26 of the Terms and Conditions of this agreement (collectively, the "Agreement"). I/We hereby irrevocably direct B2B Trust (the "Trust"), upon approval of this application, to advance and disburse the Loan proceeds in accordance with the instructions provided on my/our behalf by the Designated Advisor. All proceeds of the Loan are to be disbursed for the purchase of RRSP eligible securities to be held in the Borrower's RRSP. Following the disbursement of the Loan proceeds, the interest will accrue as provided herein.

8. Demand Note

Pursuant to this Agreement, and upon advancement of the Loan proceeds, for value received, I hereby promise to pay on demand to the order of the Trust at 130 Adelaide Street West, Suite 200, Toronto, Ontario, M5H 3P5 the amount of _____ dollars (\$ _____), (the "Principal"), with interest thereon under,

Option A: at a fixed rate being the rate of _____% per annum; or,

Option B: at a variable rate being a rate equal to _____% per annum above the Prime Rate in effect from time to time, (the "Variable Interest Rate");

all such interest to be calculated daily from the date that the Loan proceeds are advanced, and payable monthly both before and after demand, default or judgement, until payment in full, with interest at the same rate on all overdue interest. On the date hereof, the Prime Rate is _____% per annum. Prime Rate means the annual interest rate announced by the Trust from time to time as being its reference rate then in effect (the "Prime Rate"). The current Prime Rate is available on the Trust's web site, www.b2btrust.com or by calling B2B Trust at 1.800.263.8349.

I agree that the applicable Variable Interest Rate in the case of Option B may, for interest computation purposes, change without notice upon each change in the Prime Rate and I acknowledge that the cost of borrowing for the Loan may vary based on changes to that Prime Rate. I acknowledge that a written statement by the Trust setting forth the Prime Rate at any specified time shall be conclusive proof of the Prime Rate absent manifest error. I hereby waive all delays, days of grace, presentment, notice of non-payment, notice of dishonour, protest, notice of protest and all other formalities with respect hereto.

9. Personal Pre-Authorized Debit Authorization

Upon advancement of the Loan proceeds, although the Loan is repayable on demand, I shall, in the manner set out in this Agreement, subject to any revised payment schedule, make monthly payments (the "Instalments") in order to repay the Loan starting on _____, 20____ (the monthly "Payment Date").

Therefore, I authorize the Trust to debit the amount of \$ _____ on the _____ day of each month and to apply these amounts to my Loan until it is repaid in full. Each Instalment shall be applied first against the monthly payment of interest due on the Loan as of that Payment Date (the "Interest Payment") and the balance, if any, shall be applied against the Principal (the "Principal Payment").

In the case of Option B Loans, if the Prime Rate increases after the date hereof and the amount of each Instalment to be paid hereunder is insufficient to satisfy the Interest Payment due as of such Payment Date, the Trust will not adjust the amount of the Instalments. The amount of the shortfall shall be added to the outstanding Principal and such additional amounts shall bear interest at the Variable Interest Rate and shall form part of the Indebtedness. Borrower(s) should refer to Section 6 of the cost of borrowing "Statement of Disclosure" mailed separately to the Borrower(s).

I/We agree that whether the Instalments are to be drawn against my/our account at the Trust or at a financial institution other than the Trust, the calculations by the Trust of the Interest Payments will be conclusive for such purpose, absent of error. I/We authorize the Trust to debit on each Payment Date the fixed Instalment, and any fees and other amounts that may be owing to the Trust pursuant to this Agreement, which may vary from month to month, and to apply these amounts to my/our Indebtedness. I/We agree that payment shall be made by pre-authorized debits (the "PAD") or electronic withdrawals or in such manner as the Trust may determine. When a PAD initiated on a Payment Date is returned for any reason, I/we authorize the Trust to debit such returned amount prior to the next Payment Date. The PAD shall be drawn against the account held at the financial institution indicated on the attached void personal cheque and I/we authorize the financial institution to deal with this PAD as if it were signed by me/us. **I/We agree to waive the requirement under the Canadian Payments Association Rules to receive a written pre-notification prior to each PAD as set out in the Rules.** I/We represent and warrant that all persons whose signatures are required to sign on this account have signed this agreement. I/We agree to attach to this Agreement a void sample cheque for the Trust's records. I/We acknowledge that providing and delivering this authorization to the Trust constitutes delivery by me/us to the financial institution indicated on my/our cheque. I/We undertake to inform the Trust in writing of any change in the account information provided herein 10 days prior to the next Payment date.

I/We have certain recourse rights if any debit does not comply with this agreement. For example, I/we have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD agreement. I/We may revoke my/our authorization at any time, subject to providing written notice of 30 days. To obtain more information on my/our recourse rights, or to obtain a sample cancellation form or information on my/our right to cancel a PAD Agreement, I/We may contact my/our financial institution or visit www.cdnpay.ca. Revocation of this authorization does not terminate any contract that exists between me/us and the Trust.

In the event that the deferral option is chosen, interest will accrue during the deferral period. The monthly interest accumulating during the deferral period will be added to the Principal and subsequent interest will be calculated on the new principal balance. The Trust will not adjust the amount of the Instalments according to the new principal balance.

10. Disclosures

A) Borrowing Money to Buy Mutual Funds or Segregated Funds (Leveraging)

Regulatory authorities require notice to investors who consider borrowing money to buy mutual funds or segregated funds, to make investors aware of the risks involved in borrowing to invest.

Mutual funds or segregated funds may be purchased using available cash, or a combination of cash and borrowed money. When you purchase segregated funds, the value of the policy is determined with reference to units of segregated investment funds. If you use cash to pay for your purchase in full, your percentage gain or loss will equal the percentage increase or decrease in the value of your mutual funds or segregated funds. The purchase of mutual funds or segregated funds using borrowed money magnifies the gain or loss on your cash invested. This effect is called leveraging. For example: If \$100,000 of mutual funds or segregated funds are purchased and paid for with \$25,000 from available cash (your money) and \$75,000 from borrowings, and the value of your mutual funds or segregated funds declines by 10% to \$90,000, your equity interest (the difference between the value of your mutual funds or segregated funds and the amount borrowed) has declined by 40%, i.e. from \$25,000 to \$15,000.

As it is apparent that leveraging magnifies gains or losses, it is important that you know that a leveraged purchase of mutual funds or segregated funds involves greater risk than a purchase using your own cash resources only. To what extent a leveraged purchase involves undue risk is a determination to be made on an individual basis by each purchaser, and will vary depending on the circumstances of the purchaser and the mutual funds or segregated funds purchased.

Money is, of course, also required to pay interest on the Loan. Under these circumstances, investors who leverage their investment are advised to have adequate financial resources available both to pay interest and also to reduce the Loan if the borrowing arrangements require such a payment. No matter what the value of your mutual funds or segregated funds is, you will, in all circumstances, remain liable to reimburse all amounts due on your Loan.

It is important that you understand the risks and rewards of borrowing (leverage) as outlined above, and that you undertake this investment program with that full understanding.

B) Account Opening Responsibilities, Dealer / B2B Trust

The Dealer identified in section 1 of this application form, and the Designated Advisor will be responsible for determining the suitability of investments and borrowing to invest, and for ensuring appropriate supervision is performed for all trading activity in your account.

(i) Mutual Fund Dealers

If the Dealer is a member of the Mutual Fund Dealers Association of Canada, the Dealer is an Introducing Dealer, B2B Carrying Services ("BCS") - a division of LBC Financial Services Inc. - is a Carrying Dealer, and B2B Trust is a Trust Company providing certain services to BCS under a service agreement. With respect to any transaction you may enter into, BCS and B2B Trust will be responsible for trade execution initiated by BCS, and trade settlement by BCS. BCS may pay a portion of fees collected on your account to the Introducing Dealer, and the Introducing Dealer may pay BCS for trade execution services on your behalf.

(ii) Investment Dealers

If the Dealer is a member of the Investment Dealers Association of Canada, neither B2B Carrying Services (a division of LBC Financial Services Inc.) nor B2B Trust act as a Carrying Dealer for the Dealer.
